

"Quality in a service or product is not what you put into it. It is what the client or customer gets out of it."

The Department of Biochemistry at Graphic Era Institute of Medical Sciences proudly hosted its inaugural CME session on 'Quality Control and Quality Assurance' on April 4th, 2024, at the Lecture Theatre on the 7th Floor of the Hospital building. Quality Control and Quality Assurance are pivotal in the Biochemistry sector as they ensure the accuracy and reliability of laboratory outputs. These processes are fundamental in maintaining the integrity of scientific data and patient safety, making such educational sessions crucial for professionals aiming to excel in their practices.

The event, held in collaboration with Ortho Diagnostics, marked a significant milestone for the community, offering a hybrid format that welcomed around 300 participants from both India and abroad, facilitating both in-person and online engagement.

We extend our heartfelt gratitude to our Honourable Chairman of GEIMS Professor (Dr.) Kamal Ghanshala sir for providing an exemplary platform for this academic interaction. Esteemed faculties including the Medical Director, Dean, Medical Superintendent, and Vice Principal of GEIMS graced the occasion, enhancing the learning environment.

The session featured enlightening virtual lectures by distinguished biochemists, Dr. D.M. Vasudevan and Dr. Poonam Aggarwal, alongside insightful physical presentations. Their expertise highlighted the critical role of Quality Control and Quality Assurance in upholding the highest standards in laboratory practices and research, essential for ensuring reliable and accurate results in the medical field.

This educational event was further accredited by the Uttarakhand Medical Council, which allotted 3 credit hours to the attendees, underscoring the session's importance and relevance in continuing medical education.

We are inspired to continue our commitment to excellence in medical education. The Department of Biochemistry at Graphic Era Institute of Medical Sciences plans to organize more such enriching events, aiming to foster a culture of continuous improvement and lifelong learning within the medical community. We believe that through such initiatives, we can significantly contribute to the advancement of healthcare standards globally, paving the way for future innovations and enhanced patient care.

About Graphic Era Institute of Medical Sciences (GEIMS)

Graphic Era Institute of Medical Sciences is planned as a medical college aimed at providing quality healthcare education competing with global standards. Graphic Era Hospital developed under GEIMS has been built with a keen eye on the future of healthcare and is equipped with the latest medical equipment currently being operated in the country.

The Institution promises to continue a rich legacy of 30 Years of imparting quality education to some of the brightest minds of the country. The entire campus is developed on a modern tech-enabled paradigm with Digital Mediums and modern day teaching methodologies planned at the grass root level.

Message

Dear Sir/Madam,

Warm Greetings from Graphic Era Institute of Medical Sciences, Dehradun!

It's with great pleasure that Department of Microbiology, Graphic Era Institute of Medical Sciences, Dehradun invites participants for "Quality Management System and Internal Auditor's training as per ISO-15189-2022" from 10th to 13th May 2024 at Graphic Era Institute of Medical Sciences, Dehradun.

This workshops is being conducted in collaboration with 360 Diagnostic & Health Services Pvt.Ltd. accredited by National Accreditation Board for Education & Trainings (NABET), Quality Council of India (QCI). It is a certificate training certified by QCI and accepted by NABL.

This workshop is highly beneficial for Pathologists, Microbiologists, Biochemists, Postgraduates, technicians, Quality Manager and anyone related to working in clinical laboratory.

This workshop is also beneficial for students of life sciences, Microbiology and Biotechnology planning to work in NABL accredited laboratories in medical, research and industry.

These workshops were normally organized in Delhi and other big cities. It's our endeavor to bring same quality education to all laboratory professionals in Dehradun and help build a Culture of Quality.

We encourage you all to participate in maximum to avail benefits of this workshop.

Thanks & Regards,

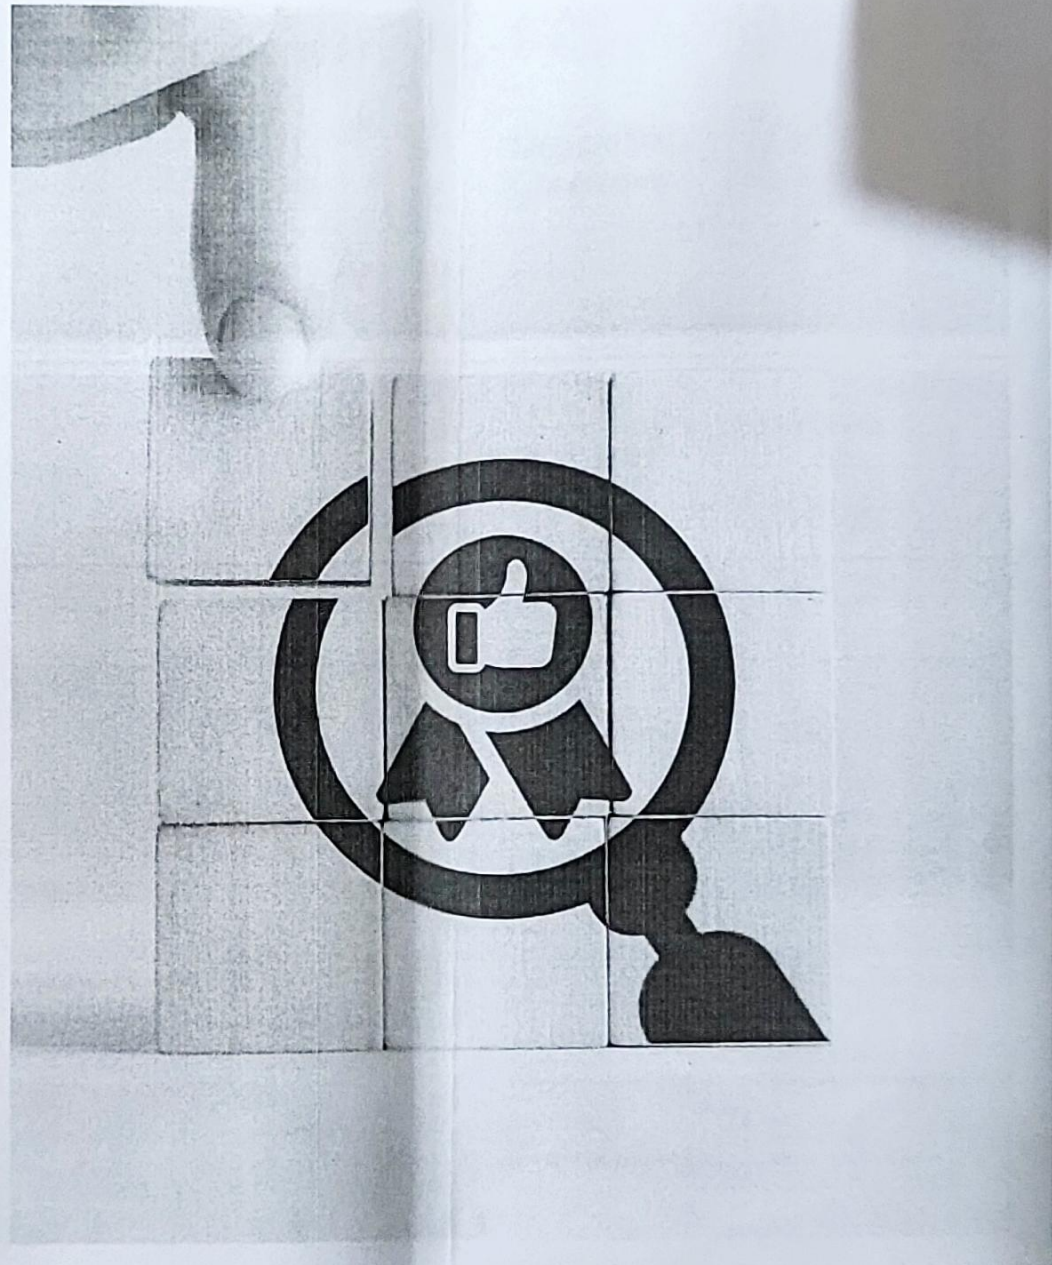

Dr. Krishna Prasad MS

WORKSHOP SUMMARY

4 days workshop on "Quality Management System and Internal Auditor's training as per ISO-15189-2022" from 10th to 13th May 2024 at Graphic Era Institute of Medical Sciences.

"Quality Management System and Internal Auditor's training as per ISO-15189-2022" workshop was organised by Department of Microbiology, at Graphic Era Institute of Medical Sciences from 10th to 13th May 2024.

Workshop was inaugurated by Medical Director Dr Puneet Tyagi, Dean Dr Nitin Bansal and Medical Superintendent Dr Amit Varma of Graphic Era Institute of Medical Sciences.

This workshop was conducted in collaboration with 360 Diagnostic & Health Services Pvt.Ltd. and is accredited by National Board for Quality Promotion (NBQP), Quality Council of India (QCI). Dr Jatinder Bhatia, Director of 360 Diagnostic & Health Services Pvt.Ltd., eminent pathologist and trainer of international repute imparted the training in this workshop.

Thirty participants from various Hospitals and Institution of Dehradun and Uttarakhand attended this workshop. During which they received training regarding various aspects of Quality management system in clinical laboratories and how to improve quality and standard of patients reports.

During this workshop all the clauses of ISO 15189 and their implementation were discussed. Training was also imparted regarding preparation of SOPs, internal audit etc.. Mock audit of clinical lab was also done which helped participants implement the teaching during the workshop itself.

Detailed training was also given regarding process of NABL accreditation and how to get accredited.

Medical Director Dr Puneet Tyagi and Dean Dr Nitin Bansal appreciated the efforts of the Organising Chairperson Dr Krishna Prasad MS and Organising secretary Dr Ankit Khanduri, Department of Microbiology for organising a successful workshop on a very important topic.

This workshop has been granted 09 hours (Nine hours) as CME accreditation points by Uttarakhand Medical Council via letter No. U.K.M.C /2024-25/ 293 dated 25/4/2024.
